Vote online for the top entrepreneur

The public can now vote online for the most worthy entrepreneurs to receive this year's Spirit of Enterprise Awards.

There are 144 nominees from different industries. Mr Richard Eu, group chief executive of Eu Yan Sang International and a patron of the awards, said the enterprise awards are meant to "to find people who have the richest minds, in terms of their ideas and attitudes".

Results will be announced on Oct 10. You can vote at www.soe.org.sg.
